Turn right from The Lazy Fox and continue up the hill to the main road. Keep to the right for approximately one hundred yards passing the bus stop and the row of houses after approximately twenty yards turn right up the small lane signposted footpath. (Pic 1) Past Mill house to the left and the old windmill on your right. Take the small path beside Mill Cottage and then over the stile. (Pic 2) Continue across the field to the gate and turn left onto the road. (beware heavy traffic) After approximately fifty yards take the footpath on the right. (Pic 3) Over the stile and across the field into the woods. Turn right and after approximately thirty yards. At the footpath signpost; (Pic 4) take the path to the right. Crossover the small wooden bridge and follow the footpath along until you come to a signpost. Take the path to the right and down to the right then over the stile. Follow the path down in the gully and down into the valley. Once at the bottom take the footpath to the right of the stream and over a small wooden bridge. Continue along the path for approximately two hundred yards then round a fallen tree. Follow the path through the woods passing some magnificent Oaks along the way. The path will then lead you down for approximately one hundred yards and then over a small wooden bridge closely followed by a stile. Once over take the path to the left up the embankment to the field gate with a stile on the right hand side. Go over the stile and follow the hedge row up the field to the top to the farm gate and the water trough. (Pic 5) Once over the gate take the path in the hedgerow immediately on the right. Follow this path through the woods for approximately three hundred yards passing the carp lake on the left. Once at the stile on the right go over and down the field to the gate and over the stile on the left. Continue up to the top of the field keeping to the right (keeping dogs on a lead). (Pic 6) Go over the stile and onto the road and turn right. Walk up the road and you will see The Lazy Fox on your left after approximately twenty yards.
