WALKS OF THE PHEASANT PLUCKER NO. 1

Leave The Pheasant Plucker and turn right to the end of the building. Take the track that leads into the woods. (Pic 1) After approximately one hundred yards pass 'Timbers' on your left and continue along the track past a bungalow and some outbuildings. Continue at the end and onto the crossroads Take the track straight ahead. After approximately two hundred yards follow the track round to the right. (Pic 2) then down the slope and through the forest. (Pic 3)

Follow the track round to the left and after approximately fifty yards you'll pass a bungalow on your left. After a few yards take the track ascending on the right. (Pic 4) Follow for approximately one hundred yards then the track goes round to the left (Pic 5) and opens out, continue for approximately one hundred yards until you come to a gate. (Be sure to close it after you. Follow the track round and down with the field to your right. Follow down, passing a metal gate on your right hand side. After approximately one hundred yards the track opens out in front of some pine trees. (Pic 6)

Follow the path round to the right where it joins another track marked footpath. After approximately three hundred yards it will join another track coming from the left. Continue through the woods going straight on for approximately one hundred and fifty yards. Take the small path to the left on the bend and in the trees. This will take you past the work sheds on the right and past the bungalow. Follow the path up to return to The Pheasant Plucker on your left.
